Docket No. E-01345A-16-0036

**APPLICATION FOR LEAVE TO
INTERVENE**

22 Pursuant to A.A.C. R14-3-105, Electrical District Number Eight and McMullen Valley
23 Water Conservation & Drainage District (hereinafter collectively referred to as
24 "ED8/McMullen") hereby jointly apply to the Arizona Corporation Commission (the
25 "Commission") for an Order granting ED8/McMullen leave to intervene in the above-captioned
26 proceeding.
27
28

1 ED8/McMullen are parties to individual wholesale electric contracts with Arizona Public
2 Service Company ("APS"). Charges incurred by ED8/McMullen under those contracts are
3 affected by cost allocations within and between APS' operational functions (e.g., generation,
4 transmission, distribution, and administrative services) and customer rate classes; and a material
5 charge component is indexed to APS retail rates at issue in this proceeding. Therefore,
6 ED8/McMullen have a material interest in and will be directly and substantially affected by the
7 Commission's decision in this matter. Furthermore, ED8/McMullen are familiar with the issues
8 in this case and their intervention will neither broaden the issues nor unduly delay the
9 proceeding.
10
11

12 Therefore, ED8/McMullen respectfully request that the Commission grant this
13 Application for Leave to Intervene in this matter, and further request that all communications in
14 connection with this proceeding be directed to:
