Tom Forese, Chairman  
Arizona Corporation Commission  
1200 W. Washington St., Second Floor  
Phoenix, AZ 85007

Dear Chairman Forese,

I'm writing to request that the Commission schedule a public hearing in Flagstaff. As one of about 55,000 local APS rate payers, I want to learn about the proposed rate hike, and also have the chance to share my views on this proposal.

Northern Arizona, as you know, is a big place, and surely it is appropriate to schedule a number of public meetings in different communities, so that we have a chance to hear from the Commission and they can hear from us.

I'm sure that in addition to private rate payers, the Flagstaff City Council and Coconino County Board of Supervisors would take an interest in this hearing on behalf of all the citizens and businesses in this city and county.

Please let me know your decision on locations of public hearing about the APS rate increase. I would very much like to attend one if it is held in Flagstaff.

Sincerely,
