REQUEST: CONTINUANCE OF HEARING

Respondents.

BY THE COMMISSION:

I am submitting this Request for Continuance as the defendant in the case named above. The court has issued a hearing date of April 17, 2017 at 10:00am and has ordered Respondents to exchange copies of their Witness Lists and copies of the Exhibits by March 17, 2017. My father took a fall on an escalator and had to be hospitalized for his injuries. He had internal bleeding that would not stop for nearly a week. The doctors then decided to take him off his blood thinner medication in order to try to stop the internal bleeding. Two days later, my father suffered a massive stroke that has left him unable to care for himself and has lost his ability to walk & speak. My mother is 83 years old and unable to care for herself, let alone my father. She also suffered a stroke within the past year resulting in her losing her sight and the ability to drive. My father was just recently released from the hospital and I am in the process of getting my parents affairs in order. We are in the process of getting their house ready to list for sale so I can make other assisted living arrangements necessary. I have been dealing with this unforeseeable situation for the past few weeks and have been completely unable to prepare for this hearing.

Therefore I am requesting a continuance until after September 1, 2017, which will allow me the necessary time to find a new location for my parents to live and prepare for my hearing. I am also requesting to allow the Witness Lists and necessary Exhibits to be delivered no earlier than August 1, 2017.

Thank you for your attention in the matter.

Sincerely,

Greg Sanchez
