Docket Numbers: E-01345A-16-0036 & E-01345A-16-0123

I am a registered voter in Arizona. The Commission should be representing constituents and not corporations or big business, nor should any of you on Commission have any business/financial interests related to a public utility company.

Do not approve any rate increase(S) for APS and it's customers. APS has had approvals too regularly and I should not have to suffer financially because APS has not invested nor progressed in "Renewable Energy" sources. SRP has managed to keep it's rate within reasonable perimeters and I expect APS to do the same.

Do Not Approve Of Any Rate Increase.

Respectfully,
Yvonne McLellan
