Re: Docket Number: E-01345A-16-0036 + E-01345A-16-0123

Dear Chair Forese and Commissioners,

Vote No to any unnecessary increase to our utilities!

Being a small business owner this could have a very negative impact on my business. Any that takes away from the resources I have to operate or expand my business could affect our local community.

The Commission own staff and the Residential Utility Consumer Office have stated the APS rate increase is unnecessary. It is disappointing that APS would push for something that is not warranted.

While reviewing this case, please advocate for the small business who rely on APS. Thank You for fighting to protect the best interests of great people of Arizona.

Sincerely,

Arizona Corporation Commission
