Re: Docket Number: E-01345A-I6-0036 + E-01345A-I6-0123

Dear members of the Arizona Corporation Commission,

APS should not be allowed to raise its fixed rates. This limits my ability as a small business owner to control my bill based on the actual energy that I use. Instead I would be forced to pay more per month for the fixed rate. An increase in my utilities could have a damaging effect on my business.

I know you have a difficult decision to make regarding the APS rate case. I am asking that APS not be allowed to increase the costs for small business and residential customers. A fixed rate increase is unwarranted.

Please support Arizona small businesses.

Thank you,
