Docket Number: E-01345A-16-0036 Docket Position: Against

APS is begging for an 8% raise in their rates, it's disgusting. I'm totally disabled and now I have a spinal cord and brain tumor. Disability would not even give the 3/10ths of a raise this year. Can we get a rational for this increase. Why do working people get zero increase, but APS does? APS just needs to tighten their belts like the rest of us. I see no rational, APS is doing very little in expansion of green energy. I think it's awful.
