Re: Docket Numbers: E-01345A-16-0036 + E-01345A-16-0123

Dear Chair Forese and Commissioners,

I am writing to you today to voice my opinion in the APS rate case. As an owner of a small business, all cost increases to operations has to be transferred onto my customers and often also has an effect on my employees.

If APS increases its fixed monthly charge, I would likely have to reduce employee hours as well as increase prices to compensate for this increase in charges. The reduction in customer service from the lack of employees on hand may cause me to lose customers and ultimately more income.

Please take small businesses into consideration when making your decision on this case and vote against an increase to the monthly fixed charge.

Thank you for your time,

*Felipe Osorio*
