Members of the Arizona Corporation Commission,

DOCKETED BY

Please Vote No on unnecessary increases to our APS bills!

SB

As a small business owner, I am affected – as are other small business owners -by what APS does. The increase to my monthly service that is proposed at this time could impact my business in a very unfavorable manner – such as from daily operations to the life span of my business.

I strongly encourage you to vote for what is in the best interest for small businesses and other customers that rely on APS as you continue your review of this case.

Sincerely,

GEORGE HENRY'S PLUMBING HEATING & COOLING
