Nature Of Opinion

Docket Number: E-01345A-16-0036

Caller upset that she was unable to make public comment regarding company's proposed increase. She heard on the news today that a meeting was taking place. She was not informed of this during her call to a male Commission staff member.

I advised her I would get her comments docketed and made part of the case.

She wanted it known that an increase in her bill will prevent her from eating another day every month as the food pantry only allows two trips/month. She believes kickbacks are being provided for these continued company rate increase approvals.
