Dear Ms. Champion,

I am aware that you are currently a party in pending complaint at the Commission against APS. See Docket E-01345A-18-0002. Commission rules prohibit the Commissioners or their Policy Advisors from entertaining or considering communications from parties, not on the public record, concerning the substantive merits of pending proceedings. See Arizona Administrative Code Rule R14-3-113. The purpose of this rule is to avoid the possibility of prejudice in proceedings before the Commission and to ensure that all parties receive a fair hearing process.

If the purpose of your meeting is to discuss your pending case against APS, then all communications should be made through the public record in the Docket.

If you have questions regarding procedural matters, I would encourage you to contact the Commission's Legal Division at 602-542-3402.

If you have questions regarding your APS bills or dealings with APS, please contact the Commission's Utilities Division at 602-542-4251.

Thank you.
