Nature Of Opinion

Docket Number: WS-02987A-17-0392 Docket Position: Against

I don't feel that they are entitled to a rate increase. Partly because of the allegations against them, how they got the previous increase and partly due to the unethical behavior with their customers. Here in our neighborhood alone every home has problems with their billing. Charges that are unexplainable. Water quality problems. They don't deserve more money.
