Re: Request for Legible Copy of Amended Complaint
Arizona Corporation Commission Docket No. T-01051B-17-0346

Dear Ms. Ochmanski:

You docketed an Amended Complaint, but failed to serve CenturyLink by email or regular mail. Your omission, and the condition of the electronic filing, has delayed our ability to review the documentation.

The electronic version which appears in the Commission's edocket system is largely illegible, due to redactions or poor copy quality, adversely affecting CenturyLink's ability to understand and evaluate the evidence. CenturyLink asks that you send me a clean hard copy as soon as possible. CenturyLink is entitled to the full documents. Should you intend to redact portions of the filing, please describe in detail the redacted subject matter and the reasons for the redaction.

CenturyLink has not been contacted by the Commission's Consumer Services Division for an informal resolution. We have placed an inquiry to the Division today about scheduling.

Thank you for your attention to this request.

Sincerely,

A handwritten signature in black ink that reads "Norman G. Curtright".
