### Nature Of Opinion

**Docket Number:** WS-01025A-17-0361

**Docket Position:** Against

I feel the price increase would be very unfair to those of us who are already paying a lot for our bill. Myself and my husband in the summer already pay upwards of \$300 a month alone for A/C use, sprinklers and water for keeping our pool filled. We don't use our heater in the winter time for the same purpose. We pay over \$1,000 in bills alone monthly, which includes a mortgage. If you raise the bill, please consider your prices and maybe raise it once instead of 5 times within 5 years. Thanks for not gauging a bunch of broke ass citizens!
