Nature Of Opinion

Docket Number: E-01345A-18-0002

Caller has had a couple of comments entered into the APS docket No. 16-0123 and now wishes to have his thoughts regarding demand charges and approval of the current docket regarding a rehearing of the APS rate case placed into the docket and made a part of public record.

He feels the company is double dipping by getting approval for the 4.5% increase and in addition, getting approval to bill using a demand charge. He believes the bill is very confusing and the average customer would be hard pressed to know the impact of the new rates regarding the 1 hr. On Peak Demand charge.
