APS has forced "Smart Meters" on the public, without our consent. They also never informed anyone of the dangers, nor did they inform anyone that we had a choice in refusing these meters. These meters are extremely toxic. The public has a right to utilities that do not use toxic equipment! These meters cause disease, tumors, radiation poisoning and migraine headaches to name a few. They are also spy meters. In order to avoid these toxic demons, we are forced to pay more money on our electric bill. Every month we are forced to pay a fee for the privilege of NOT accepting a TOXIC "Smart Meter" on our homes, for the few of us who are educated and a little less easy to fool than the rest of the public. APS is a monopoly that can do what it pleases because we have no other choice. THIS IS TYRANNY. How dare they trick people and sneak toxic equipment on unsuspecting people for their PROFIT GAIN and for spy purposes, and further CHARGE people money who know better and dare challenge this monopoly.
