In the matter of the application of Ajo Improvement Company-Wastewater Division for an increase to its authorized rates and charges. for a determination of the fair value of its property devoted to wastewater utility service in the State of Arizona, and for other related approvals

Thank you for the chance to comment. As a longtime resident of Ajo and one who lives on a limited and fixed income, I want you to know that the proposed rate increases will negatively affect my life and the life of many others. I understand that need for rate increases, but to be hit with such big increases all at once is unreasonable. Please reconsider the amount of your rate increase.

Customer submitted the above comment for all divisions of the company requesting an increase in rates.
