Nature Of Opinion

Docket Number: WS-02987A-17-0392 Docket Position: Against

We have always had low water pressure since we built our home on the far west side of San Tan heights. We have always been told it's normal. If we don't even have enough water pressure to have a mist system at our house. This is unacceptable. In recent weeks it has gotten far worse. I feel most people are now experiencing what we have been for 5 years and now it's even worse!
