Although my usage for my business in the last 6 months is up 2.9% over last year my bill has increased 22.4%. It is clear the the Arizona Corporation Commission is in the pockets of APS, but allowing them to steal from the Arizona public like this is criminal. If I had an alternative, I would drop APS in a heartbeat. Of course I have no other options. That is why the corporation commission is supposed to be looking out for the public. I guess the \$'s donated to the CC are helping APS to gouge the public without recourse.
