Dear Commissioners; We are a retired couple, surviving on a meager Social Security income and live year around in Ajo. We live on West Vananda and chose this property partly because of the lower utility rates as explained to us by an AIC employee when we were looking for our retirement home. All our utilities are controlled by AIC. We strongly object to the proposed increases of our utilities, especially the electricity. AIC offers no low income or elderly assistance programs. We absolutely could not afford the ridiculous rates they are proposing. A reasonable increase would be 2% in line with our recent COLA increase. Thank you for a reasonable solution to this potential crisis. Sincerely, Douglas and Linda Day
