RE: Lake Verde Water Company's response to Norm Rasks and Sam Jocewicz on Lake Verde Water's rate case docketed on DOCKET NO. W-01557A-18-0222.

After the Procedural Conference with the judge on October 22nd. Lake Verde Water (LVW) requested that our books be reviewed in office and the judge agreed. We will allow a space for the interveners to come in and review our books. Since, Norm Rask is not able to make it to the office, we will allow someone to come in on his behalf to review LVW financials. Our office is open all day to review the books between November 13th- November 21st, and November 26th - November 30th. Please let LVW know at least 5 days in advance when the interveners will be coming.

Sincerely,

Arizona Corporation Commission
