DOCKET NO: T-00000A-00-0194

NOTICE OF THE
COMMISSION STAFF

At the telephonic procedural conference held on May 17, 2000, the Arizona Corporation Commission ("Commission") Staff requested an opportunity to submit a late-filed exhibit addressing the alleged variance in line counts contained in the FCC model as compared to other models. At the time, Staff believed that it could adjust for any variances through additional runs of the different models in the record. Staff has since discovered that it cannot rerun the line counts in the models without the need for significant additional time and effort. Staff, therefore, withdraws its oral motion at this time and will rely upon the existing record on this point which it will address in its brief.

RESPECTFULLY SUBMITTED this 19th day of May, 2000.
