Proposed Settlement Agreement  
Docket No. T-01051B-11-0378  
In the Matter of the Application of Qwest Corporation dba Century Link-QC to Classify and Regulate Retail Local Exchange Telecommunications Services as Competitive and to Classify and Deregulate Certain Services as Nonessential

The purpose of this Settlement Agreement ("Agreement") is to settle disputed issues related to Docket No. T-01051B-11-0378. This Agreement is entered into by the following entities:

Arizona Corporation Commission Utilities Division ("Staff")

Qwest Corporation dba Century Link-QC ("Century Link")

Residential Utility Consumer Office ("RUCO")

Arizona Investment Council ("AIC")

These entities shall be referred to collectively as "Signatories;" a single entity shall be referred to individually as a "Signatory."

I. RECITALS

1.1 Century Link filed the application underlying Docket No. T-01051B-11-0378 on October 13, 2011.

1.2 Subsequently, the Commission approved applications to intervene filed by RUCO, AIC, the Department of Defense/Federal Executive Agencies ("DoD/FEA"), and tw telecom of Arizona, LLC.

1.3 The Signatories conducted settlement discussions in this matter that were open, transparent, and inclusive of all parties to this docket who desired to participate.

1.4 The terms of this Agreement are just, reasonable, fair, and in the public interest in that they, among other things, establish just and reasonable classifications for ratemaking purposes; resolve issues arising from this docket; and avoid unnecessary litigation expense and delay.

1.5 The Signatories ask the Commission 1) to find that the terms and conditions of this Agreement are just, reasonable, and in the public interest; and 2) to approve the Agreement as written.
TERMS AND CONDITIONS

II. Competitive Classifications Approved Subject to Conditions

In order to settle the principal disputed issues in this matter, the Signatories agree as follows:

2.1 In connection with CenturyLink's Rule 1108 Competitive Classification Application, services shall be considered to be competitive and in compliance with Rule 1108, subject to the conditions set forth in paragraphs 2.2, 2.3 and 2.4 ("Competitive Classification Approved Subject to Conditions").

2.2 CenturyLink may file a proceeding under Rule 1110 to increase its rates.

a. For a period of three years from the date an order is entered by the Commission in this docket approving this agreement or otherwise resolving this petition (the "Order Approving Settlement"), CenturyLink shall not be entitled to increase its maximum rates for residential services or for small and medium business services greater than 25% over present rates.

b. In connection with the filing under Rule 1110 described above, CenturyLink may thereafter file under Rule 1109 to increase its actual rates by no more than 10% annually for residential services during the three years following the Order Approving Settlement and no more than 15% annually for small and medium business services during the three years following the Order Approving Settlement.

c. Staff agrees not to contest a request by CenturyLink under Rule 1110 to increase the maximum rates for services as set forth in paragraph 2(a) above or a request by CenturyLink under Rule 1109 to change the actual rates as set forth in paragraph 2(b) above. No other party shall be constrained from opposing Rule 1110 increases requested by CenturyLink.

d. No other consensual limitations apply to maximum rates for the above three year period. Enterprise services are considered fully competitive and may be increased pursuant to a Rule 1110 proceeding. Services already found to be competitive under Rule 1108 are not subject to the conditions in paragraphs 2(a) and 2(b) above. The services previously classified as competitive under Rule 1108 are listed in Attachment A.

e. CenturyLink agrees for a period of three years from the date of the Order Approving Settlement to charge statewide uniform rates for services subject to paragraphs 2(a) and 2(b) above. Thereafter, CenturyLink agrees to continue to charge uniform rates unless it specifically requests and is granted Commission authorization to deaverage rates in a filing pursuant to Rule 1110.

2.3 CenturyLink will file semi-annual reports with the Commission, Staff, and RUCO for a period of three years, commencing six months after the date of the Order Approving Settlement, setting forth data to be agreed with Staff and RUCO showing the state of competition in the State.

2.4 After the expiration of at least 30 months from the date of the Order Approving Settlement, CenturyLink may make an additional submission in this docket,
demonstrating that competition for voice services in Arizona is the same or greater than the levels CenturyLink’s testimony and evidence claim exist at the time of the filing of the Application in this docket. CenturyLink’s additional submission shall be based on competitive reports, data and statistics, including but not limited to the National Center for Health Statistics Wireless Substitution Report, the Federal Communications Commission (“FCC”) Local Competition Report, and the FCC Internet Access Services Report. CenturyLink in such filing shall demonstrate that:

a. The percentage of consumers who have no landline voice connection, as specified in the National Center for Health Statistics Report, shall be 30% or greater;¹

b. Wireless connections, as set forth in the FCC’s Local Competition Report, shall represent 65% or greater of total voice connections in Arizona;² and

c. Access to VOIP providers shall be measured by xDSL broadband availability in Arizona, as set forth in the FCC Internet Access Services Report, and shall be 88% of households or greater.³

Upon such a filing by CenturyLink and verification by Staff, the Signatories stipulate that the conditions set forth in paragraphs 2.2, 2.3, and 2.4 shall terminate six months after such filing. CenturyLink may thereafter file, in its discretion, requests for additional pricing flexibility pursuant to the streamlined ratemaking procedures of Rule 1110, and the other parties hereto reserve their rights to object to any filings under Rule 1110.

2.5 After the expiration of three years from the date of the Order Approving Settlement, if CenturyLink does not make the showing described in Paragraph 2.4 above, CenturyLink may continue to seek rate changes pursuant to Rule 1110 (unless the Commission makes a finding that its services are not competitive). However, the Commission may consider that the conditions in Paragraph 2.4 above have not been demonstrated in its evaluation of the Rule 1110 filing.

2.6 The Signatories stipulate to the Staff’s recommendations on the deregulation of services requested by CenturyLink in its application to be de-regulated. These services to be deregulated are listed in Attachment B.

---

¹ Based on “Wireless Substitution: Early Release of Estimates From the National Health Interview Survey,” which is released by the National Center for Health Statistics every six months. The metric is the percent of American households that are wireless-only, as delineated in Table 1 of the report released 12-21-11.

² Based on “Local Telephone Competition: Status as of XXX” released by the FCC’s Industry and Analysis and Technology Division twice a year. The percentage Metric is based on the quantity of Arizona wireless connections as shown in Table 17, and the ILEC and non-ILEC lines shown in Tables 12 and 13 (in report dated October 2011).

³ Based on “Internet Access Services: Status as of XXX” released by the FCC’s Industry and Analysis and Technology Division twice a year. The Metric for Arizona is provided in table 24, column 1, of the report dated October 2011.
2.7 The Signatories stipulate that CenturyLink shall not hereafter be required to make a rate case filing under Rule 103, unless the Commission makes a finding that CenturyLink's services are not competitive.

2.8 All rates, terms, conditions and requirements now applicable to wholesale services in Arizona are unchanged by this Agreement, including those treated under Basket 4 in the Price Cap Plan.

2.9 The Signatories agree that, upon issuance of the Order Approving Settlement, the procedures for setting rates established in the current Price Cap Plan approved by the Commission in Decision No. 68604 (Docket No. T-01051B-03-0454) will be superseded by implementation of the foregoing provisions. CenturyLink may continue to operate under the terms and conditions of service and the rates contained in Decision No. 68604 until new rates are filed under either Rule 1110 or Rule 1109 for each service, as described above.

2.10 Until further order by the Commission, CenturyLink agrees to be bound by existing statutes and rules in effect, including but not limited to R14-2-503(C) and rules regarding the provision of services to qualifying low income customers.

2.11 CenturyLink and DoD/FEA agree to request withdrawal of their agreement filed on April 19, 2012 from Commission consideration in this docket, and the remaining Signatories agree not to oppose the withdrawal of that agreement from Commission consideration in this docket.

2.12 CenturyLink agrees to continue to comply with the Service Quality Plan developed for Qwest Corporation.

III. COMMISSION EVALUATION OF PROPOSED SETTLEMENT

3.1 All currently filed testimony and exhibits shall be offered into the Commission's record as evidence.

3.2 The Signatories recognize that Staff does not have the power to bind the Commission. For purposes of proposing a settlement agreement, Staff acts in the same manner as any party to a Commission proceeding.

3.3 This Agreement shall serve as a procedural device by which the Signatories will submit their proposed settlement of Century Link's pending application, Docket No. T-01051B-11-0378, to the Commission.

3.4 The Signatories recognize that the Commission will independently consider and evaluate the terms of this Agreement. If the Commission issues an order adopting all material terms of this Agreement, such action shall constitute Commission approval of the Agreement. Thereafter, the Signatories shall abide by the terms as approved by the Commission.

3.5 If the Commission fails to issue an order adopting all material terms of this Agreement, any or all of the Signatories may withdraw from this Agreement, and such Signatory or Signatories may pursue without prejudice their respective remedies at law. For purposes of this Agreement, whether a term is material shall be left to the discretion of the Signatory choosing to withdraw from the Agreement. If a Signatory withdraws from the Agreement pursuant to this
paragraph and files an application for rehearing, the other Signatories, except for Staff, shall support the application for rehearing by filing a document with the Commission that supports approval of the Agreement in its entirety. Staff shall not be obligated to file any document or take any position regarding the withdrawing Signatory's application for rehearing.

IV. MISCELLANEOUS PROVISIONS

4.1 To achieve consensus for settlement, the Signatories are accepting positions that, in any other circumstances, they would be unwilling to accept. They are doing so because this Agreement, as a whole, is consistent with their long-term interests and with the broad public interest. The acceptance by any Signatory of a specific element of this Agreement shall not be considered as precedent for acceptance of that element in any other context.

4.2 No Signatory is bound by any position asserted in negotiations, except as expressly stated in this Agreement. No Signatory shall offer evidence of conduct or statements made in the course of negotiating this Agreement before this Commission, any other regulatory agency, or any court.

4.3 Neither this Agreement nor any of the positions taken in this Agreement by any of the Signatories may be referred to, cited, or relied upon as precedent in any proceeding before the Commission, any other regulatory agency, or any court for any purpose except to secure approval of this Agreement and enforce its terms.

4.4 To the extent any provision of this Agreement is inconsistent with any existing Commission order, rule, or regulation, this Agreement shall control.

4.5 Each of the terms of this Agreement is in consideration of all other terms of this Agreement. Accordingly, the terms are not severable.

4.6 The Signatories shall make reasonable and good faith efforts to obtain a Commission order approving this Agreement. The Signatories shall support and defend this Agreement before the Commission. Subject to paragraph 3.5, if the Commission adopts an order approving all material terms of the Agreement, the Signatories will support and defend the Commission's order before any court or regulatory agency in which it may be at issue.

4.7 This Agreement may be executed in any number of counterparts and by each Signatory on separate counterparts, each of which when so executed and delivered shall be deemed an original and all of which taken together shall constitute one and the same instrument. This Agreement may also be executed electronically or by facsimile.
