Utility Company: Arizona Public Service Company
Division: Electric
Contact Name: For assignment

Nature of Complaint: OPPOSED E-01345A-13-0248 ELECTRIC

Nuts to rigid Form. Generally inappropriate for public pissy narrow for APS monopoly behavior policies and procedures I'm disgusted. What's wrong with black and white billing? A new logo colored? expense to change bad management and tacky foresight in solar and lousy repairs and upkeep of nuclear generators? That's stupid and stupid can't be fixed!!!
