Docket No. E-01345A-13-0248

PETITION FOR LEAVE TO
INTERVENE OF VOTE SOLAR

Pursuant to the Rules of Practice and Procedure of the Arizona Corporation Commission ("Commission"), Vote Solar hereby moves for leave to intervene in the above-captioned docket and, in support thereof, states as follows:

1. Vote Solar is a nonprofit working to foster economic opportunity, promote energy security and fight climate change by making solar a mainstream energy resource. Vote Solar works at the state level across the country to support the policies and programs needed to bring solar to scale.

2. Vote Solar seeks to promote the development of distributed generation solar resources, wholesale distributed generation and large-scale solar. Vote Solar is working to implement, maintain and enhance the policies necessary to build robust solar markets in key states including Arizona. Vote Solar has previously participated in other dockets at the
Commission including the rulemaking docket associated with the adoption of the renewable energy standard and tariff rules.

3. Vote Solar is seeking to intervene in this proceeding at this time because it has recently become clear that the Commission may expand the scope of this proceeding to include significant and potentially far-reaching issues regarding net metering and the proper valuation of solar.

4. Vote Solar is familiar with the issues in this case and its intervention will not unduly broaden the issues or delay the proceeding.

5. Vote Solar requests that all pleadings, correspondence, discovery, and other documents be served on the following:

   Arizona Center for Law in the Public Interest
   202 E. McDowell Road, Suite 153
