1. INTERVENTION APPLICATION: As a party in Docket 17-0257 that did not result in a final decision concerning the subject water rate case, and that this new Docket 19-0011 is for Interim Water Rates that remain an issue for this party, who is an EPCOR Water Arizona, Inc., ratepayer at the below address, I hereby request approval of this motion to intervene.

after. I certify that the email address is a valid and active email to which this party has regular and reliable access. I have consented to email service approved in Docket 17-0257 using the same email address, thus no verification is required, and certify that I will promptly send an email to the HearingDivisionServiceByEmail@azcc.gov from the designated email address and that such email contains the docket number for this matter and the party's name.

I understand a Procedural Order to approve email service for Marshall Magruder will be issued in this matter upon verification by the Hearing Division that this party's email to HearingDivisionServiceByEmail@azcc.gov has been received from the designated email address. I further understand and agree that service of a filing to this party shall be complete upon the first of: (1) sending to the designated email address of an email containing an electronic copy of the filing or a link to access the filing online; or (2) for a filing made by a Commissioner, the Commission Executive Director, or a Commission Division, the making of the filing with a service certification including coding indicating that an automatic service email for the filing shall be sent to each party whose consent to email service has been approved. I understand and agree that this party's responsibility to make a filing in this matter to update my designated email address if it changes. I also understand and agree that I will no longer receive in this matter through First Class U.S. mail or another form of hard-copy delivery, unless and until I withdraw this consent through a filing in this docket.
